**Computer Emergency Response Team of Mauritius
Ministry of Information Technology, Communication and Innovation**

The Computer Emergency Response Team of Mauritius (CERT-MU) in collaboration with the Ministry of Education, Tertiary Education, Science and Technology is organizing a Cyber Hackathon for students of secondary schools on the 15th April 2024. Both public and private schools have already been contacted to take part in this competition. This is for the first time such initiative has been organised by the CERT-MU.

The objective of this cyber hackathon is to develop the skills of students on how to identify and protect cyber threats in information systems. It will be an opportunity for the participants to showcase their cyber skills and prizes will also be awarded to the best teams.
